Bad König, _____
Date Parent 1 Parent 2

As a rule in the year, on August 1st. or 01.09. we add children to our Kita. Children who are registered in writing by January 31st of the year will be taken into account. Late registrations will be placed at the back of the waiting list. The commitments for this date take place in March of the same year. If you do not receive a confirmation, you can assume that your child will initially have no place. It then remains on the waiting list. We compare the lists with the other facilities in Bad König and delete your registration if you have a place. If you still want to stay on the waiting list, please let us know. If you now have another place, please let us know as soon as possible. Only children who live in Bad König (or districts of Bad König), will be accepted.
